

How to display "Visa issuance notice"

At the airport, applicant is required to display "Visa issuance notice"
Please refer to the procedure below

FOR PROXY

The screenshot shows the JAPAN eVISA website interface. The top navigation bar includes links for Home, Visa application list, Account menu, and Frequently asked questions. The main content area displays the 'Visa application list' with columns for application status, reception number, and applicant name. A red dashed box highlights the 'Visa application list' link in the top navigation bar. Another red dashed box highlights the 'Page for displaying visa issuance notice' link at the bottom of the page. Arrows indicate the flow from the login page to the application list and then to the notice display page.

①Please log-in with your email address and password

②Click "Visa application list" or click "Page for displaying visa issuance notice"

③check ☐ ☒ Relevant person And Click "Visa issuance notice(PDF)" and download

④Please hand over the data or printed out paper to applicant

FOR APPLICANT at the airport

The screenshot shows the JAPAN eVISA website interface. The top navigation bar includes links for Home, Visa application list, Account menu, and Frequently asked questions. The main content area displays the 'Visa Issuance Authentication' page with a red dashed box highlighting the 'Authentication' button. Another red dashed box highlights the 'visa issuance notice' link in the top navigation bar. Arrows indicate the flow from the authentication page to the notice display page.

①After receiving the "Visa issuance notice" from proxy, please scan the two-dimensional barcode

②You will find the website above, please input the necessary information then click "Display" button.

③"Visa issuance notice" will appear on your device. Make sure time is counting down at the top right of the screen.
